

Meet our Presenter:

Joe Bruno, PLS | ESP Associates, Inc.

Joe Bruno is the Executive Vice President of Surveys and Emerging Technologies at ESP Associates, PA, where he has worked since 1988. He is responsible for managing and providing executive oversight for 400+ employees with over \$56 million dollars in annual professional fees. He has served as ESP's Principal-in-Charge for all state DOT and Federal contracts. Mr. Bruno was introduced to surveying in 1980 while studying mining engineering at West Virginia University. He became professionally licensed as a surveyor in 1991 in North Carolina. Mr. Bruno has led the Mobile LiDAR/Scanning, aerial LiDAR, and photogrammetry programs at ESP since the introduction. Joe, his wife Charlotte have four children and reside in Charlotte, North Carolina.
