### Annual Sponsorship Opportunities

As one of the region's newest professional societies, the American Society of Highway Engineers – South Carolina (ASHE-SC) Section offers an exceptional opportunity for exposure to transportation professionals across the state. Our society is made up of consultants, government representatives, and contractors who are leaders in the transportation industry and share in its common goals to provide a forum for members and partners of the highway industry that fosters education, innovation, and fellowship.

A corporate sponsorship with ASHE-SC offers many opportunities to increase your firm's visibility to clients, peers, and the community throughout FY 2024-25. With your support ASHE-SC will:

- Enhance our programs and outings to advance professional development opportunities for our members
- Develop an education and outreach program to promote STEM initiatives in our community
- Grow a scholarship program

The attached information describes the sponsorship packages available, and the benefits associated with each. This year's sponsors will also benefit from increased visibility at ASHE events as well as on our website [www.sc.ashe.pro](http://www.sc.ashe.pro).

If you are interested in becoming a corporate sponsor, please contact Sponsorship Co-Chairs: Scott Carney ([scarney@espassociates.com](mailto:scarney@espassociates.com)) or Doug Rainey ([dougrainey@telics.com](mailto:dougrainey@telics.com)).

Sincerely,

A handwritten signature in black ink that reads "Reneé Tison".

Reneé Tison, PE  
President, South Carolina Section
